

This form, together with the approval by the Environment and Resources Authority are to be attached to your tax return. The “qualifying services” refer to the acceptance of construction and demolition material by the authorised person.

The tax on the chargeable income shall be calculated at the rate or rates that would apply if that income included also the income exempted by these rules. Taxpayer is to include all income in the tax return. In box 26 of the tax return, taxpayer is to compute the total tax liability on the total chargeable income inclusive of the income derived from the qualifying services as defined in these rules.
