

SYNTHESISED TEXT OF THE MLI AND THE CONVENTION BETWEEN THE REPUBLIC OF SLOVENIA AND MALTA FOR THE AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF FISCAL EVASION WITH RESPECT TO TAXES ON INCOME

General disclaimer on the Synthesised text document

This document was prepared in consultation with the competent authority of Slovenia and presents the shared understanding of the modifications made to the Convention by the MLI.

This document presents the synthesised text for the application of the Convention between the Republic of Slovenia and Malta for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income signed on 8 October 2002 (the “Convention”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by the Republic of Slovenia and by Malta on 7 June 2017 (the “MLI”).

The document was prepared on the basis of the MLI position of the Republic of Slovenia submitted to the Depository upon ratification on 22 March 2018 and of the MLI position Malta submitted to the Depository upon ratification on 18 December 2018. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Convention.

The authentic legal texts of the Convention and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Convention are included in boxes throughout the text of this document in the context of the relevant provisions of the Convention. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Convention (such as “Covered Tax Agreement” and “Convention”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Convention: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Convention or to the Convention must be understood as referring to the Convention as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

CONVENTION

BETWEEN THE REPUBLIC OF SLOVENIA AND MALTA FOR THE AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF FISCAL EVASION WITH RESPECT TO TAXES ON INCOME

The Republic of Slovenia and Malta,

[REPLACED by paragraph 1 and paragraph 3 of Article 6 of the MLI] [desiring to conclude a Convention for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income,]

The following paragraph 1 and paragraph 3 of Article 6 of the MLI replace the text referring to an intent to eliminate double taxation in the preamble of this Convention:

ARTICLE 6 OF THE MLI – PURPOSE OF A COVERED TAX AGREEMENT

Intending to eliminate double taxation with respect to the taxes covered by *the Convention* without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in *the Convention* for the indirect benefit of residents of third jurisdictions),

Desiring to further develop their economic relationship and to enhance their co-operation in tax matters,

have agreed as follows:

Article 1
PERSONS COVERED

This Convention shall apply to persons who are residents of one or both of the Contracting States.

Article 2
TAXES COVERED

1. This Convention shall apply to taxes on income imposed on behalf of a Contracting State or of its political subdivisions or local authorities, irrespective of the manner in which they are levied.

2. There shall be regarded as taxes on income all taxes imposed on total income, or on elements of income, including taxes on gains from the alienation of movable or immovable property and taxes on the total amounts of wages or salaries paid by enterprises, as well as taxes on capital appreciation.

3. The existing taxes to which this Convention shall apply are:

(a) in Slovenia:

(i) the tax on profits of legal persons;

(ii) the tax on income of individuals, including wages and salaries, income from agricultural activities, income from business, capital gains and income from immovable and movable property;

(hereinafter referred to as “Slovenian tax”);

(b) in Malta:

the income tax;

(hereinafter referred to as “Malta tax”).

4. The Convention shall apply also to any identical or substantially similar taxes which are imposed after the date of signature of the Convention in addition to, or in place of, the existing taxes. The competent authorities of the Contracting States shall notify each other of any significant changes which have been made in their respective taxation laws.

Article 3
GENERAL DEFINITIONS

1. For the purposes of this Convention, unless the context otherwise requires:

(a) the term “Slovenia“ means the Republic of Slovenia and, when used in a geographical sense, the territory of Slovenia, including the sea area, sea bed and sub-soil adjacent to the territorial sea, over which Slovenia may exercise its sovereign rights and jurisdiction in accordance with its domestic legislation and international law;

(b) the term “Malta“ means the Republic of Malta and, when used in a geographical sense, means the Island of Malta, the Island of Gozo and the other islands of the Maltese archipelago including the territorial waters thereof, as well as any area of the sea-bed, its sub-soil and the superjacent water column adjacent to the territorial waters, wherein Malta exercises sovereign rights, jurisdiction, or control in accordance with international law and its national law, including its legislation relating to the exploration of the continental shelf and exploitation of its natural resources;

(e) the term “company“ means any body corporate or any entity that is treated as a body corporate for tax purposes;

2. As regards the application of the Convention at any time by a Contracting State, any term not defined therein shall, unless the context otherwise requires, have the meaning that it has at that time under the law of that State for the purposes of the taxes to which the Convention applies, any meaning under the applicable tax laws of that State prevailing over a meaning given to the term under other laws of that State.

Article 4
RESIDENT

1. For the purposes of this Convention, the term “resident of a Contracting State“ means any person who, under the laws of that State, is liable to tax therein by reason of his domicile, residence, place of management or any other criterion of a similar nature, and also includes that State and any political subdivision or local authority thereof. This term, however, does not include any person who is liable to tax in that State in respect only of income from sources in that State.

2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting States, then his status shall be determined as follows:

(a) he shall be deemed to be a resident only of the State in which he has a permanent home available to him; if he has a permanent home available to him in both States, he shall be deemed to be a resident only of the State with which his personal and economic relations are closer (centre of vital interests);

(b) if the State in which he has his centre of vital interests cannot be determined, or if he has not a permanent home available to him in either State, he shall be deemed to be a resident only of the State in which he has an habitual abode;

(c) if he has an habitual abode in both States or in neither of them, he shall be deemed to be a resident only of the State of which he is a national;

(d) if he is a national of both States or of neither of them, the competent authorities of the Contracting States shall settle the question by mutual agreement.

3. Where by reason of the provisions of paragraph 1 a person other than an individual is a resident of both Contracting States, then it shall be deemed to be a resident only of the State in which its place of effective management is situated.

Article 5
PERMANENT ESTABLISHMENT

1. For the purposes of this Convention, the term “permanent establishment“ means a fixed place of business through which the business of an enterprise is wholly or partly carried on.

2. The term “permanent establishment“ includes especially:

(a) a place of management;

(b) a branch;

(c) an office;

(d) a factory;

(e) a workshop; and

(f) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources including an offshore drilling site.

3. The term “permanent establishment“ likewise encompasses:

(a) a building site, a construction, assembly or installation project or supervisory activities in connection therewith, but only where such site, project or activities continue for a period of more than nine months;

(b) the furnishing of services, including consultancy services, by an enterprise through employees or other personnel engaged by the enterprise for such purpose, but only where activities of that nature continue (for the same or a connected project) within a Contracting State for a period or periods aggregating more than six months within any twelve-month period.

4. Notwithstanding the preceding provisions of this Article, the term “permanent establishment“ shall be deemed not to include:

(a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;

(b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;

(c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;

(d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise, or of collecting information, for the enterprise;

(e) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity of a preparatory or auxiliary character;

(f) the maintenance of a fixed place of business solely for any combination of activities mentioned in sub-paragraphs (a) to (e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 6 applies - is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting State an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that State in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

6. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

7. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

Article 6
INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.

2. The term “immovable property“ shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, or to explore for, mineral deposits, sources and other natural resources; ships, boats and aircraft shall not be regarded as immovable property.

3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.

4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

Article 7
BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the Contracting State in which the permanent establishment is situated or elsewhere.

4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Convention, then the provisions of those Articles shall not be affected by the provisions of this Article.

Article 8
SHIPPING AND AIR TRANSPORT

1. Profits of an enterprise of a Contracting State from the operation of ships or aircraft in international traffic shall be taxable only in that State.

2. The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

Article 9
ASSOCIATED ENTERPRISES

1. Where

(a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting State includes in the profits of an enterprise of that State - and taxes accordingly - profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Convention and the competent authorities of the Contracting States shall if necessary consult each other.

Article 10
DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but:

(a) where the dividends are paid by a company which is a resident of Slovenia to a resident of Malta who is the beneficial owner thereof, the Slovenian tax so charged shall not exceed:

(i) 5 per cent of the gross amount of the dividends if the beneficial owner is a company which holds directly at least 25 per cent of the capital of the company paying the dividends;

(ii) 15 per cent of the gross amount of the dividends in all other cases;

(b) where the dividends are paid by a company which is a resident of Malta to a resident of Slovenia who is the beneficial owner thereof, Malta tax on the gross amount of the dividends shall not exceed that chargeable on the profits out of which the dividends are paid.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term “dividends“ as used in this Article means income from shares, mining shares, founders’ shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company’s undistributed profits to a tax on the company’s undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

Article 11
INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises, and according to the laws of that State, but if the recipient is the beneficial owner of the interest, the tax so charged shall not exceed 5 per cent of the gross amount of the interest.

3. The term “interest“ as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor’s profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

Article 12
ROYALTIES

1. Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties may also be taxed in the Contracting State in which they arise and according to the laws of that State, but if the recipient is the beneficial owner of the royalties, the tax so charged shall not exceed 5 per cent of the gross amount of such royalties.

3. The term “royalties“ as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work including cinematograph films, any patent, trade mark, design or model, plan, secret formula or process, or for information concerning industrial, commercial or scientific experience.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

Article 13
CAPITAL GAINS

1. Gains derived by a resident of a Contracting State from the alienation of immovable property referred to in Article 6 and situated in the other Contracting State may be taxed in that other State.

2. **[REPLACED by paragraph 4 of Article 9 of the MLI]** [Gains from the alienation of shares or comparable interests in a company the assets of which consist directly or indirectly principally of immovable property situated in a Contracting State may be taxed in that State.]

The following paragraph 4 of Article 9 of the MLI replaces paragraph 2 of Article 13 of this Convention:

ARTICLE 9 OF THE MLI – CAPITAL GAINS FROM ALIENATION OF SHARES OR

PROPERTY

For purposes of *the Convention*, gains derived by a resident of a *Contracting State* from the alienation of shares or comparable interests, such as interests in a partnership or trust, may be taxed in the other *Contracting State* if, at any time during the 365 days preceding the alienation, these shares or comparable interests derived more than 50 per cent of their value directly or indirectly from immovable property (real property) situated in that other *Contracting State*.

3. Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State or of movable property pertaining to a fixed base available to a resident of a Contracting State in the other Contracting State for the purpose of performing independent personal services, including such gains from the alienation of such a permanent establishment (alone or with the whole enterprise) or of such fixed base, may be taxed in that other State.

4. Gains derived by an enterprise of a Contracting State from the alienation of ships or aircraft operated in international traffic, or from movable property pertaining to the operation of such ships or aircraft, shall be taxable only in that State.

(a) if he has a fixed base regularly available to him in the other Contracting State for the purpose of performing his activities; in that case, only so much of the income as is attributable to that fixed base may be taxed in that other Contracting State; or

(b) if his stay in the other Contracting State is for a period or periods amounting to or exceeding in the aggregate 183 days in any twelve-month period commencing or ending in the fiscal year concerned; in that case, only so much of the income as is derived from the activity exercised in the other Contracting State may be taxed in that other State.

2. Where income in respect of personal activities exercised by an entertainer or a sportsman in his capacity as such accrues not to the entertainer or sportsman himself but to another person, that income may, notwithstanding the provisions of Articles 7, 14 and 15, be taxed in the Contracting State in which the activities of the entertainer or sportsman are exercised.

3. The provisions of paragraphs 1 and 2, shall not apply to income from activities performed in a Contracting State by entertainers or sportsmen if the activities are substantially supported by public funds of one or both of the Contracting States or of political subdivisions or local authorities thereof. In such a case, the income shall be taxable only in the Contracting State of which the entertainer or sportsman is a resident.

If the visit exceeds two years, the other State may tax the individual under its national law for the entire period of the visit, unless in a particular case the competent authorities of the States agree otherwise.

STUDENTS AND BUSINESS APPRENTICES

Payments which a student or business apprentice who is or was immediately before visiting a Contracting State a resident of the other Contracting State and who is present in the first-mentioned State solely for the purpose of his education or training receives for the purpose of his maintenance, education or training shall not be taxed in that State, provided that such payments arise from sources outside that State.

Article 22
OTHER INCOME

1. Items of income of a resident of a Contracting State, wherever arising, not dealt with in the foregoing Articles of this Convention shall be taxable only in that State.

2. The provisions of paragraph 1 shall not apply to income, other than income from immovable property as defined in paragraph 2 of Article 6, if the recipient of such income, being a resident of a Contracting State, carries on business in the other Contracting State through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the income is paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

Article 23
ELIMINATION OF DOUBLE TAXATION

1. In the case of Slovenia, double taxation shall be eliminated as follows:

Where a resident of Slovenia derives income which, in accordance with the provisions of this Convention, may be taxed in Malta, Slovenia shall allow as a deduction from the tax on the income of that resident, an amount equal to the income tax paid in Malta. Such deduction shall not, however, exceed that portion of the income tax as computed before the deduction is given, which is attributable to the income which may be taxed in Malta.

2. In the case of Malta, double taxation shall be eliminated as follows:

Subject to the provisions of the law of Malta regarding the allowance of a credit against Malta tax in respect of foreign tax, where, in accordance with the provisions of this Convention, there is included in a Malta assessment income from sources within Slovenia, the Slovenian tax on such income shall be allowed as a credit against the relative Malta tax payable thereon.

3. Where in accordance with any provision of the Convention income derived by a resident of a Contracting State is exempt from tax in that State, such State may nevertheless, in calculating the amount of tax on the remaining income of such resident, take into account the exempted income.

Article 24
NON-DISCRIMINATION

1. Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities. This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

3. Except where the provisions of paragraph 1 of Article 9, paragraph 6 of Article 11, or paragraph 6 of Article 12 apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State.

4. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

5. The provisions of this Article shall apply to taxes covered by this Convention.

Article 25
MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Convention, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 24, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Convention.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Convention. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Convention. They may also consult together for the elimination of double taxation in cases not provided for in the Convention.

4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs.

The following Part VI of the MLI applies to this Convention:¹

PART VI OF THE MLI (ARBITRATION)

Paragraphs 1 to 10 and 12 of Article 19 (Mandatory Binding Arbitration) of the MLI

1. Where:

- a) under *paragraph 1 of Article 25 of the Convention*, a person has presented a case to the competent authority of a *Contracting State* on the basis that the actions of one or both of the *Contracting States* have resulted for that person in taxation not in accordance with the provisions of *the Convention*; and
- b) the competent authorities are unable to reach an agreement to resolve that case pursuant to *paragraph 2 of Article 25 of the Convention*, within a period of *three-years* beginning on the start date referred to in *paragraph 8 or 9 of Article 19 of the MLI*, as the case may be (unless, prior to the expiration of that period the competent authorities of the

¹ In accordance with paragraph 1 of Article 36 of the MLI, the provisions of Part VI (Arbitration) of the MLI have effect with respect to this Convention with respect to cases presented to the competent authority of a *Contracting State* on or after 1 April 2019.

In accordance with paragraph 2 of Article 36 of the MLI, the provisions of Part VI (Arbitration) of the MLI apply to a case presented to the competent authority of a *Contracting State* prior to 1 April 2019 only to the extent that the competent authorities of both *Contracting States* agree that it will apply to that specific case.

Contracting States have agreed to a different time period with respect to that case and have notified the person who presented the case of such agreement),

any unresolved issues arising from the case shall, if the person so requests in writing, be submitted to arbitration in the manner described in *Part VI of the MLI*, according to any rules or procedures agreed upon by the competent authorities of the *Contracting States* pursuant to the provisions of paragraph 10 of *Article 19 of the MLI*.

2. Where a competent authority has suspended the mutual agreement procedure referred to in paragraph 1 of *Article 19 of the MLI* because a case with respect to one or more of the same issues is pending before court or administrative tribunal, the period provided in subparagraph b) of paragraph 1 of *Article 19 of the MLI* will stop running until either a final decision has been rendered by the court or administrative tribunal or the case has been suspended or withdrawn. In addition, where a person who presented a case and a competent authority have agreed to suspend the mutual agreement procedure, the period provided in subparagraph b) of paragraph 1 of *Article 19 of the MLI* will stop running until the suspension has been lifted.

3. Where both competent authorities agree that a person directly affected by the case has failed to provide in a timely manner any additional material information requested by either competent authority after the start of the period provided in subparagraph b) of paragraph 1 of *Article 19 of the MLI*, the period provided in subparagraph b) of paragraph 1 of *Article 19 of the MLI* shall be extended for an amount of time equal to the period beginning on the date by which the information was requested and ending on the date on which that information was provided.

4. a) The arbitration decision with respect to the issues submitted to arbitration shall be implemented through the mutual agreement concerning the case referred to in paragraph 1 of *Article 19 of the MLI*. The arbitration decision shall be final.

b) The arbitration decision shall be binding on both *Contracting States* except in the following cases:

i) if a person directly affected by the case does not accept the mutual agreement that implements the arbitration decision. In such a case, the case shall not be eligible for any further consideration by the competent authorities. The mutual agreement that implements the arbitration decision on the case shall be considered not to be accepted by a person directly affected by the case if any person directly affected by the case does not, within 60 days after the date on which notification of the mutual agreement is sent to the person, withdraw all issues resolved in the mutual agreement implementing the arbitration decision from consideration by any court or administrative tribunal or otherwise terminate any pending court or administrative proceedings with respect to such issues in a manner consistent with that mutual agreement.

ii) if a final decision of the courts of one of the *Contracting States* holds that the arbitration decision is invalid. In such a case, the request for arbitration under paragraph 1 of *Article 19 of the MLI* shall be considered not to have been made, and the arbitration process shall be considered not to have taken place (except for the purposes of Articles 21 (Confidentiality of Arbitration Proceedings) and 25 (Costs of Arbitration Proceedings) of *the MLI*). In such a case, a new request

for arbitration may be made unless the competent authorities agree that such a new request should not be permitted.

- iii) if a person directly affected by the case pursues litigation on the issues which were resolved in the mutual agreement implementing the arbitration decision in any court or administrative tribunal.

5. The competent authority that received the initial request for a mutual agreement procedure as described in subparagraph a) of paragraph 1 of *Article 19 of the MLI* shall, within two calendar months of receiving the request:

- a) send a notification to the person who presented the case that it has received the request; and
- b) send a notification of that request, along with a copy of the request, to the competent authority of the other *Contracting State*.

6. Within three calendar months after a competent authority receives the request for a mutual agreement procedure (or a copy thereof from the competent authority of the other *Contracting State*) it shall either:

- a) notify the person who has presented the case and the other competent authority that it has received the information necessary to undertake substantive consideration of the case; or
- b) request additional information from that person for that purpose.

7. Where pursuant to subparagraph b) of paragraph 6 of *Article 19 of the MLI*, one or both of the competent authorities have requested from the person who presented the case additional information necessary to undertake substantive consideration of the case, the competent authority that requested the additional information shall, within three calendar months of receiving the additional information from that person, notify that person and the other competent authority either:

- a) that it has received the requested information; or
- b) that some of the requested information is still missing.

8. Where neither competent authority has requested additional information pursuant to subparagraph b) of paragraph 6 of *Article 19 of the MLI*, the start date referred to in paragraph 1 of *Article 19 of the MLI* shall be the earlier of:

- a) the date on which both competent authorities have notified the person who presented the case pursuant to subparagraph a) of paragraph 6 of *Article 19 of the MLI*; and
- b) the date that is three calendar months after the notification to the competent authority of the other *Contracting State* pursuant to subparagraph b) of paragraph 5 of *Article 19 of the MLI*.

9. Where additional information has been requested pursuant to subparagraph b) of paragraph 6 of *Article 19 of the MLI*, the start date referred to in paragraph 1 of *Article 19 of the MLI* shall be the earlier of:

- a) the latest date on which the competent authorities that requested additional information have notified the person who presented the case and the other competent authority pursuant to subparagraph a) of paragraph 7 of *Article 19 of the MLI*; and
- b) the date that is three calendar months after both competent authorities have received all information requested by either competent authority from the person who presented the case.

If, however, one or both of the competent authorities send the notification referred to in subparagraph b) of paragraph 7 of *Article 19 of the MLI*, such notification shall be treated as a request for additional information under subparagraph b) of paragraph 6 of *Article 19 of the MLI*.

10. The competent authorities of the *Contracting States* shall by mutual agreement pursuant to *Article 25 of the Convention* settle the mode of application of the provisions contained in *Part VI of the MLI*, including the minimum information necessary for each competent authority to undertake substantive consideration of the case. Such an agreement shall be concluded before the date on which unresolved issues in a case are first eligible to be submitted to arbitration and may be modified from time to time thereafter.

12. Notwithstanding the other provisions of *Article 19 of the MLI*:

- a) any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for by *the MLI* shall not be submitted to arbitration, if a decision on this issue has already been rendered by a court or administrative tribunal of either *Contracting State*;
- b) if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the *Contracting States*, a decision concerning the issue is rendered by a court or administrative tribunal of one of the *Contracting States*, the arbitration process shall terminate.

Article 20 (Appointment of Arbitrators) of the MLI

1. Except to the extent that the competent authorities of the *Contracting States* mutually agree on different rules, paragraphs 2 through 4 of *Article 20 of the MLI* shall apply for the purposes of *Part VI of the MLI*.

2. The following rules shall govern the appointment of the members of an arbitration panel:

- a) The arbitration panel shall consist of three individual members with expertise or experience in international tax matters.
- b) Each competent authority shall appoint one panel member within 60 days of the date of the request for arbitration under paragraph 1 of *Article 19 of the MLI*. The two panel members so appointed shall, within 60 days of the latter of their appointments, appoint a third member who shall serve as Chair of the arbitration panel. The Chair shall not be a national or resident of either *Contracting State*.
- c) Each member appointed to the arbitration panel must be impartial and independent of the competent authorities, tax administrations, and ministries of finance of the

Contracting States and of all persons directly affected by the case (as well as their advisors) at the time of accepting an appointment, maintain his or her impartiality and independence throughout the proceedings, and avoid any conduct for a reasonable period of time thereafter which may damage the appearance of impartiality and independence of the arbitrators with respect to the proceedings.

3. In the event that the competent authority of a *Contracting State* fails to appoint a member of the arbitration panel in the manner and within the time periods specified in paragraph 2 of Article 20 of the *MLI* or agreed to by the competent authorities of the *Contracting States*, a member shall be appointed on behalf of that competent authority by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either *Contracting State*.

4. If the two initial members of the arbitration panel fail to appoint the Chair in the manner and within the time periods specified in paragraph 2 of Article 20 of the *MLI* or agreed to by the competent authorities of the *Contracting States*, the Chair shall be appointed by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either *Contracting State*.

Article 21 (Confidentiality of Arbitration Proceedings) of the MLI

1. Solely for the purposes of the application of the provisions of *Part VI of the MLI* and of the provisions of *the Convention* and of the domestic laws of the *Contracting States* related to the exchange of information, confidentiality, and administrative assistance, members of the arbitration panel and a maximum of three staff per member (and prospective arbitrators solely to the extent necessary to verify their ability to fulfil the requirements of arbitrators) shall be considered to be persons or authorities to whom information may be disclosed. Information received by the arbitration panel or prospective arbitrators and information that the competent authorities receive from the arbitration panel shall be considered information that is exchanged under the provisions of *the Convention* related to the exchange of information and administrative assistance.

2. The competent authorities of the *Contracting States* shall ensure that members of the arbitration panel and their staff agree in writing, prior to their acting in an arbitration proceeding, to treat any information relating to the arbitration proceeding consistently with the confidentiality and nondisclosure obligations described in the provisions of *the Convention* related to exchange of information and administrative assistance and under the applicable laws of the *Contracting States*.

Article 22 (Resolution of a Case Prior to the Conclusion of the Arbitration) of the MLI

For the purposes of *Part VI of the MLI* and the provisions of *the Convention* that provide for resolution of cases through mutual agreement, the mutual agreement procedure, as well as the arbitration proceeding, with respect to a case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the *Contracting States*:

- a) the competent authorities of the *Contracting States* reach a mutual agreement to resolve the case; or

- b) the person who presented the case withdraws the request for arbitration or the request for a mutual agreement procedure.

Paragraphs 2 and 5 of Article 23 (Type of Arbitration Process) of the MLI Independent opinion

2. Except to the extent that the competent authorities of the *Contracting States* mutually agree on different rules, the following rules shall apply with respect to an arbitration proceeding:

- a) After a case is submitted to arbitration, the competent authority of each *Contracting State* shall provide any information that may be necessary for the arbitration decision to all panel members without undue delay. Unless the competent authorities of the *Contracting States* agree otherwise, any information that was not available to both competent authorities before the request for arbitration was received by both of them shall not be taken into account for purposes of the decision.
- b) The arbitration panel shall decide the issues submitted to arbitration in accordance with the applicable provisions of *the Convention* and, subject to these provisions, of those of the domestic laws of the *Contracting States*. The panel members shall also consider any other sources which the competent authorities of the *Contracting States* may by mutual agreement expressly identify.
- c) The arbitration decision shall be delivered to the competent authorities of the *Contracting States* in writing and shall indicate the sources of law relied upon and the reasoning which led to its result. The arbitration decision shall be adopted by a simple majority of the panel members. The arbitration decision shall have no precedential value.

5. Prior to the beginning of arbitration proceedings, the competent authorities of the *Contracting States* shall ensure that each person that presented the case and their advisors agree in writing not to disclose to any other person any information received during the course of the arbitration proceedings from either competent authority or the arbitration panel. The mutual agreement procedure under *the Convention*, as well as the arbitration proceeding under *Part VI of the MLI*, with respect to the case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the *Contracting States*, a person that presented the case or one of that person's advisors materially breaches that agreement.

Paragraph 2 of Article 24 (Agreement on a Different Resolution) of the MLI

2. Notwithstanding paragraph 4 of Article 19 of *the MLI*, an arbitration decision pursuant to *Part VI of the MLI* shall not be binding on the *Contracting States* and shall not be implemented if the competent authorities of the *Contracting States* agree on a different resolution of all unresolved issues within three calendar months after the arbitration decision has been delivered to them.

Article 25 (Costs of Arbitration Proceedings) of the MLI

In an arbitration proceeding under *Part VI of the MLI*, the fees and expenses of the members of the arbitration panel, as well as any costs incurred in connection with the arbitration proceedings by the *Contracting States*, shall be borne by the *Contracting States* in a manner to be settled by mutual

agreement between the competent authorities of the *Contracting States*. In the absence of such agreement, each *Contracting State* shall bear its own expenses and those of its appointed panel member. The cost of the chair of the arbitration panel and other expenses associated with the conduct of the arbitration proceedings shall be borne by the *Contracting States* in equal shares.

Paragraphs 2 and 3 of Article 26 (Compatibility) of the MLI

2. Any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for in *Part VI of the MLI* shall not be submitted to arbitration if the issue falls within the scope of a case with respect to which an arbitration panel or similar body has previously been set up in accordance with a bilateral or multilateral convention that provides for mandatory binding arbitration of unresolved issues arising from a mutual agreement procedure case.

3. *Nothing in Part VI of the MLI* shall affect the fulfilment of wider obligations with respect to the arbitration of unresolved issues arising in the context of a mutual agreement procedure resulting from other conventions to which the *Contracting States* are or will become parties.

Subparagraph a) of paragraph 2 of Article 28 (Reservations) of the MLI

Pursuant to *subparagraph a) of paragraph 2 of Article 28 of the MLI*, the Republic of Slovenia formulates the following reservations with respect to the scope of cases that shall be eligible for arbitration under the provisions of *Part VI of the MLI*:

1. The Republic of Slovenia reserves the right to exclude from the scope of Part VI cases concerning items of income or capital that are not taxed by a Contracting Jurisdiction because they are not included in the taxable base in that Contracting Jurisdiction or because they are subject to an exemption or zero tax rate provided only under the domestic tax law of that Contracting Jurisdiction and that is specific to such item of income or capital.

2. The Republic of Slovenia reserves the right to exclude from the scope of Part VI cases involving conduct for which the taxpayer, a person acting on its behalf, or a related person:

- i. Has been found guilty by a court of a criminal tax offence; or
- ii. Has been subject to a serious penalty for tax fraud, evasion or avoidance.

For this purpose, the legislative provisions governing serious penalties for tax fraud, evasion or avoidance are contained in the Tax Procedure Act. Any subsequent provisions replacing, amending or updating these provisions would also be comprehended. The Republic of Slovenia shall notify the Depositary of any such subsequent provisions.

3. The Republic of Slovenia reserves the right to exclude from the scope of Part VI cases involving the residence of companies and other entities.

4. The Republic of Slovenia reserves the right to exclude from the scope of Part VI cases involving the application of domestic anti-avoidance provisions. For this purpose, the Republic of Slovenia's domestic anti-avoidance provisions shall include such provisions contained in the tax laws.

Pursuant to *subparagraph a) of paragraph 2 of Article 28 of the MLI*, Malta makes the below reservation with respect to the scope of cases that shall be eligible for arbitration under the provisions of *Part VI of the MLI*.

Where a reservation made by the other Contracting Jurisdiction to a Covered Tax Agreement pursuant to Article 28(2)(a) refers exclusively to its domestic law (including legislative provisions, case law, judicial doctrines and penalties), Malta reserves the right to exclude from the scope of Part VI those cases that would be excluded from the scope of Part VI if the other Contracting Jurisdiction's reservation were formulated with reference to any analogous provisions of Malta's domestic law or any subsequent provisions which replace, amend or update those provisions. The competent authority of Malta will consult with the competent authority of the other Contracting Jurisdiction in order to specify any such analogous provisions which exist in Malta's domestic law in the agreement concluded pursuant to Article 19(10).

Article 26
EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is necessary for carrying out the provisions of this Convention or of the domestic laws of the Contracting States concerning taxes covered by the Convention insofar as the taxation thereunder is not contrary to the Convention. The exchange of information is not restricted by Article 1. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by the Convention. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

2. In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation:

(a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;

(b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;

(c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (order public).

Article 27

LIMITATION OF BENEFITS

The provisions of this Convention shall not apply to persons entitled to any special tax benefit under a law of either one of the Contracting States or any substantially similar law subsequently enacted and which is identified by the Contracting States.

Article 28

MEMBERS OF DIPLOMATIC MISSIONS AND CONSULAR POSTS

Nothing in this Convention shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special agreements.

The following paragraph 1 of Article 7 of the MLI applies and supersedes the provisions of this Convention:

ARTICLE 7 OF THE MLI – PREVENTION OF TREATY ABUSE

(Principal purposes test provision)

Notwithstanding any provisions of *the Convention*, a benefit under *the Convention* shall not be granted in respect of an item of *income* if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of *the Convention*.

Article 29
ENTRY INTO FORCE

1. The Contracting States shall notify each other, through diplomatic channels, that the legal requirements for the entry into force of this Convention have been complied with.

2. This Convention shall enter into force thirty days after the date of the later of the notifications referred to in paragraph 1 and its provisions shall have effect:

(a) in Slovenia:

in respect of income derived in any fiscal year beginning on or after the first day of January next following the calendar year in which the Convention enters into force;

(b) in Malta:

in respect of taxes on income derived during any calendar year or accounting period, as the case may be, beginning on or after the first day of January immediately following the date on which the Convention enters into force.

Article 30
TERMINATION

This Convention shall remain in force until terminated by a Contracting State. Either Contracting State may terminate the Convention, through diplomatic channels, by giving notice of termination at least six months before the end of any calendar year beginning after the expiration of a period of five years from the date of its entry into force. In such event, the Convention shall cease to have effect:

(a) in Slovenia:

in respect of income derived in any fiscal year beginning on or after the first day of January next following the calendar year in which the notice of termination is given;

(b) in Malta:

in respect of taxes on income derived during any calendar year or accounting period, as the case may be, beginning on or after the first day of January immediately following the date on which the notice is given.
